19	<u>Mr. Ishaq-ud-Din, Vice President, Drosh Bar Association, District Chitral.</u>	
A	The former Chief Justice had promised to construct a Judicial Complex which has not yet been made; however, our request is that at present a Court Room, wash room, library and a walk through gate for security purposes be given to the Tehsil Court/Bar Room.	The Library, Generator, Scan and photo stat machines would be provided on priority basis. Rest of the issues would be discussed during my visit to Chitral.
20	<u>Mr. Aurangzeb, President Tehsil Bar Association, Behrain</u>	
A	Although most of our problems have been solved but the construction of judicial complex is a common problem. Besides, there are 156 cases in the Tehsil but the ADJ also goes to Khwaza Khela for Camp Court, therefore, the ADJ be given to Behrain on permanent basis. The consumer Court should also visit for one day in a week. Appointments should be made purely on merits.	<ul style="list-style-type: none"> ➤ Behrain would also be made as Model Tehsil with all the facilities such as sheds and toilets for female, library, scan machine, solar system etc. ➤ The matter of appointments will be discussed with the District Judge
21	<u>President Tehsil Bar Association Khwaza Khela.</u>	
A	Papers for construction of Judicial Complex are complete; so the same requires to be expedited. Despite sufficient numbers of cases, the ADJ works for 15 days in a month as Court Camp. Security problem is also there. Like Liaison Committees on District level, it should be on Tehsil level also. We also face the problems of electricity, litigants shed and drinking water	<p>An amount of Rs. 2 ½ crores has been given for the acquisition of land for Judicial Complex.</p> <p>The facility of solar system, litigants shed, female toilets and water would be provided soon under UNDP Project.</p> <p>Rest of the issues would also be considered after consultation with the District Judge.</p>
22	<u>Mr. Shehzad, Chota Lahor, Swabi.</u>	
A	There are only 02 Court Rooms, one for the ADJ and one for the Civil Judge. Another ADJ and a Family Judge be posted because of the huge pendency. There are 938 criminal and 107 civil cases pertaining to three Police Stations. The criminal work should be distributed amongst three Magistrates and that in future we may be placed on priority for construction of the Judicial	Indeed pendency of the cases is alarming and distribution of the cases is required for which the issue would be discussed with the District Judge.

	Complex.	
23	<u>Mr. Asad Iftikhar, Tehsil Bar Association Ghazi.</u>

Record Note Of The Meeting With Presidents/General Secretaries Of The Peshawar High Court Bar Associations, Presidents Of The District Bars Of Chitral, Kohat, Mardan And Additional Registrars Regarding The Proposed Automation System For Case Management Held On 22.7.2017 In The Conference Room Of Peshawar High Court, Peshawar.

The Hon'ble Chief Justice on 22nd July 2017 called a meeting of the Presidents/General Secretaries of the High Court Bar Associations, District Bar Associations, Mardan, Kohat and Chitral alongwith the Additional Registrars of the Circuit Benches for introducing them with the proposed automation system and presentation to be given by the Additional Registrar (Judicial) in this regard.

The Hon'ble Chief Justice presided over the meeting. The Worthy Registrar prayed welcome address to the participants; where after the Additional Registrar (Judicial) introduced the proposed new system through computer chart to the participants. The salient features of the new system are:-

A.	A Proforma named “ Advocates Details ” will be provided to the lawyers wherein they would provide their Bar Council, District Court, High Court and Supreme Court licence number along with their phone numbers and email addresses. On the basis of this information, a specific code would be allotted to the lawyer. <u>This would be a one-time requirement.</u>
B.	In the opening sheet, the learned Advocates would mark the category of the case as to whether the case is to be heard by a Division or Single Bench. Giving correct category code in the opening sheet enable the system to fix date of hearing and mark the case to the concerned bench automatically.
C.	All cases will be filed on one plus one copy instead of one plus four copies as in the past.
D.	The learned advocate while filing the case would provide the same along with annexures either in the USB or through email. In case, the lawyers do not provide the file in soft form, it would be scanned by the office. However, the party will have to wait for fixation till scanning. The office would then provide its scanned copies to all concerned.
E.	Scan machines for the purpose would be installed in the High Court premises and Districts of Registries.
F.	After scrutiny of the case, if there is some objection by the office, the learned Advocate would be informed through SMS/email.
G.	The automatic fixation of dates of hearing and marking of cases to benches would finish discretion of the office and would ensure transparency in the system. So far as the Circuit Benches are concerned, the Administrative Senior Judge and the Presidents of the High Court Bar Associations may formulate their own policy.
H.	There should be 20 Motion cases and 20 Notice cases before a Bench, keeping a margin of further 10 cases in motion for urgent nature cases.
I.	Court timings should be from 9.00 a.m. to 2.30 p.m. at the Principal Seat. However, if an advocate wants that his case should be heard even after 2.30 p.m. the same would be heard and the remaining cases would be left over.

J.	The Circuit Benches would determine its own timings.
K.	The proposed monthly cause-list would be issued.
L.	In the event of adjournment without any sufficient cause, the stay granted would be vacated
M.	Fresh Service cases be fixed within seven days and detention cases will be fixed within 24 hours.
N.	Copies of the order sheets would be provided to the Advocates on their email addresses without submitting any application.
O.	Attested copies of stay and bail orders will be provided within 24 hours.
P.	In cases of release from jail, wherein certified copies are issued to the parties for production before the District Courts, said Courts would also be provided the said orders through E-mail. Similarly, if possible, the Jail Superintendents would be also e-mailed the orders.
Q.	The participants were asked to submit their suggestions on this new system including ticket fee and endorsement of Wakalat Nama by the Bar Association.
