- Marking of answers is not required on Question Paper. If marked on the Question Paper, the candidate will not be awarded any mark.
- Use of any type of eraser or covering fluid can result in damaging the sheet which in turn may affect correct marking. This practice should, therefore, be avoided.

- Answer sheet contains four circles for one question. The candidate has to completely shade / fill **only one circle** that he / she thinks is correct.
- For example: the candidate feels that the correct answer of the given question is 'A', then he / she may shade / fill the circle containing alphabet 'A' with ball pen like this:
